

passion to saving lives and helping students live their dreams.

He loved the thrill of intellectual pursuit. Colleagues noticed that he preferred being out in the field, in hot pursuit of a new discovery. Back on campus, he helped build UNM and connect the university to its community, and he helped a new generation of scientists to get into the field.

As we honor his life and contributions today, our thoughts are with Terry's wife Patsy and their sons. He will be missed by the UNM community and all of us who benefited from his intellect and commitment to helping others.
